## DETAILED ACTION

### ***Allowable Subject Matter***

1. Claims 1-20 are allowed.
  
2. The following is an examiner's statement of reasons for allowance: with regard to independent claims 1, 10 and 12 the prior art does not disclose nor suggest a method, apparatus or system for validating an authorization for locking/unlocking and/or using an object that comprises a request signal, a reply signal and distance measurements wherein a quality value is calculated and associated using a mathematical function for each distance measurement wherein only those measured values which fall below a certain quality value as a threshold are accepted for an analysis of initiating a distance-related function.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
